AIMS

- ❏ To adopt, utilize and integrate Science, Engineering & Technology (SET) as effective instruments for achieving the material welfare of mankind, at the same time, opposing any attempt to the exploitation of masses through SET.
- ❏ To adopt and develop Bharatiya languages as media of SET at all levels, especially in taking SET to the masses.
- ❏ To Spread the splendid contributions of ancient Bharatiya civilization, culture, art and SET amongst students / youth for laying the foundations of modern sciences and thus to establish that modern science is not all a western product.
- ❏ To establish the interface between SET and humani: in all facets-physical, mental and spiritual.
- ❏ To organize and conduct meetings, lectures, courses, science research seminars and other activities of interest to the members in their quest for special development and harmony through SET.
- ❏ To address the artisans, craftsmen, farmers and tribals; promote, preserve & modernize their skills and make them economically strong towards rural development through inputs of modern science & technology integrated with the traditional knowledge who are in fact the true reflection of the spiritual and the material facets of our culture and civilization.
- ❏ To undertake the challenge to connect a vast reservoir of innovations by the invisible informal sector to the visible established institutions that are exposed to modern

Dr. Murli Manohar Joshi, Hon'ble M.P. (Rajya Sabha) & Chairman, Parliamentary Standing Committee on Commerce presiding the function of the launching of the forum during 1995

science and innovate in a formal way, towards making Bharat innovative and a global leader in sustainable technologies through a major drive of an integrated outreach for R & D - National Innovation System.

- ❏ To disseminate SET to the members and the general public through publications of periodicals, reports, books on SET both ancient and modern, etc.
- ❏ To establish, regulate and maintain supporting centers at regional, district, tehsil, panchayat/city and other appropriate levels and science forums at schools, colleges, universities, polytechnics and similar institutions.
- ❏ SET should not have devil objective. SET shouldn't strive to commercialization against ethics/morals. SET shouldn't be above society. SET not contributing towards the welfare of people, should be considered useless.
- ❏ To cooperate, collaborate and coordinate with other societies or bodies pursuing allied aims and objectives.

AREAS TO BE COVERED

Innovative indigenous scientific efforts/Eco-friendly Technology with human face in Physical Sciences, Chemistry, Electrochemistry, Botany, Zoology, Mathematics, Biotechnology, IT, Health care, Water, Agriculture, Geology, Forensic, Environmental, Space & Nuclear Sciences and IPR Leveraging. Ayurvedigyan, Yog, Indian system of medicines, Go-vigyan, uses of herbals in modern therapy, Medical Astrology. Innovations in the path of Traditional knowledge and Sustainable

special focus on rural development through the utilization/management of natural resources vis-a-vis New Economic Environment.

SOME SUCCESS STORIES OF THE SSM'D

- ❏ Bharatiya Vaigyanik Evam Audhyogik Anusandhan Patrika (4 special issues) : Vol. 12 (1), 2004, pp. 1-180; Vol. 12(2), 2004, pp. 181-348; Vol. 15(1), 2007, pp. 1-108; Vol. 15 (2), 2007; pp. 109-196.
- ❏ National Conference on Innovations in Indian SET - 2006
- ❏ 3rd Akhil Bharatiya Vigyan Sammelan - 2004
- ❏ National Symposium on Ancient SET Interfaced with Modern Knowledge - 2001
- ❏ National Conference on Swadeshi Vigyan - 2000
- ❏ Swadeshi Vigyan Mela - 2000
- ❏ Vigyan Bharati Pradeepika (Joint Special Issue), Vol. 6(1 & 2), 2000, pp. 1-204.
- ❏ Book on Electroplating and Metal Finishing "Bilingual", 1997, Shipra Publications, Delhi, pp. 1-309.

PURASKARS

Continuing with our decision taken during 2001, to organize a Public function on this occasion and give away selected awards, Swadeshi Vigyan Puraskars will be bestowed for the fourth time to those Nationalistic persons/institutions from all over India who have contributed significantly in Education, Science, Engineering, Technology and Social service of the nation. Arya Bhatt Puraskars will be given to the selected Science writers/Journalists who have had the

Prof. R.B. Singh, Formerly Director, IARI receiving the Swadeshi Vigyan Puraskar 2006 from Dr. T. Ramasami, Secretary, DST, GOI in the capital

distinction of reaching out to the common public through their scientific approach at the popular level during last 60 years. Innovation comes only when there is competition ; without competition there can't be innovation. Keeping this in mind, the selection committee will also decide "on the spot" for the Arya Bhatt Samman to be bestowed to those 5 innovators/ tribals/ artisans/ craftsmen who present the best paper / product presentation in the conference. Biography of the various persons is also invited for this purpose. Director-Generals/Directors/Vice-chancellors/Principals/Managing Directors of different research, educational & industrial organizations and the Parliamentarians can also nominate the persons for the said awards. Decision of the SSM'D will be final in the selection.
